

## Customer Referral Program

iMotion Security is always glad to get referrals from satisfied customers. As a 'Thank You', we will credit \$50 to your iMotion account for each new customer you refer to us.

Do you have a family member or a friend who is paying too much for their alarm monitoring service or who is dissatisfied with the service they're getting? Refer them to us and we will be happy to show you our gratitude.

*Call us or fill out the form below and we will contact the referred person shortly
